Information

For spring 2007, we have three events planned over two days, **Sat 21st & Sun 22nd April.**

Each day will have an ascent of Scafell Pike from Wasdale, meeting at 10am and starting at around 10.30am – aiming to return to Wasdale by around 5pm. Saturday will also have an ascent of Scafell Pike, leaving Wasdale at around 3.30pm (meet by 3pm). This trip will involve walking in the dark, and a chance to try some night navigation. Return by around 10pm.

These events are aimed at team leaders, or team planners, and are designed to help you familiarise yourself with the general area and facilities, car parking, footpaths and bridleways, main navigational problems, and to offer some guidance and advice for your challenge.

These events will all be at an easy and relaxed pace with plenty of stops to discuss features and navigational problems, and will not be a test of fitness or endurance.

Equipment: You will be required to be fully equipped for a day (or evening) on the mountains, and should bring full clothing and equipment as detailed in the equipment list. You should also bring a flask of hot tea/coffee, and some lunch (plus an apple for your guide).

Cost: The cost per person is £35. In return you will join a group led by an MLTE qualified and Three Peaks Challenge experienced mountain guide (aprox 1 per group of 8), a set of specially commissioned Three Peaks Challenge laminated maps sets by Beacon Guides (worth £14), local information pack and anything else I can rustle up in the meantime.

Booking: Please print off 1x booking form per person. Fill in the form, and include information about any accommodation you may have booked for the weekend. Note that mobile phones do not work in the Wasdale area, any late arrivals should ring our landline contact (TBC via email before the weekend) as early as possible. Please enclose a cheque for £35, made payable to 'Merseyventure' and post to:
